Weekly Progress Summary

Area	Progress Made
UI Fixes	Finished up fixing some last bugs we were having
Overleaf	We continued our work on Overleaf.
Website and Files	The website is up to date and every file is uploaded on OneDrive

Overleaf Progress

New Sections

We added two major sections: Workflow and How to Use sections

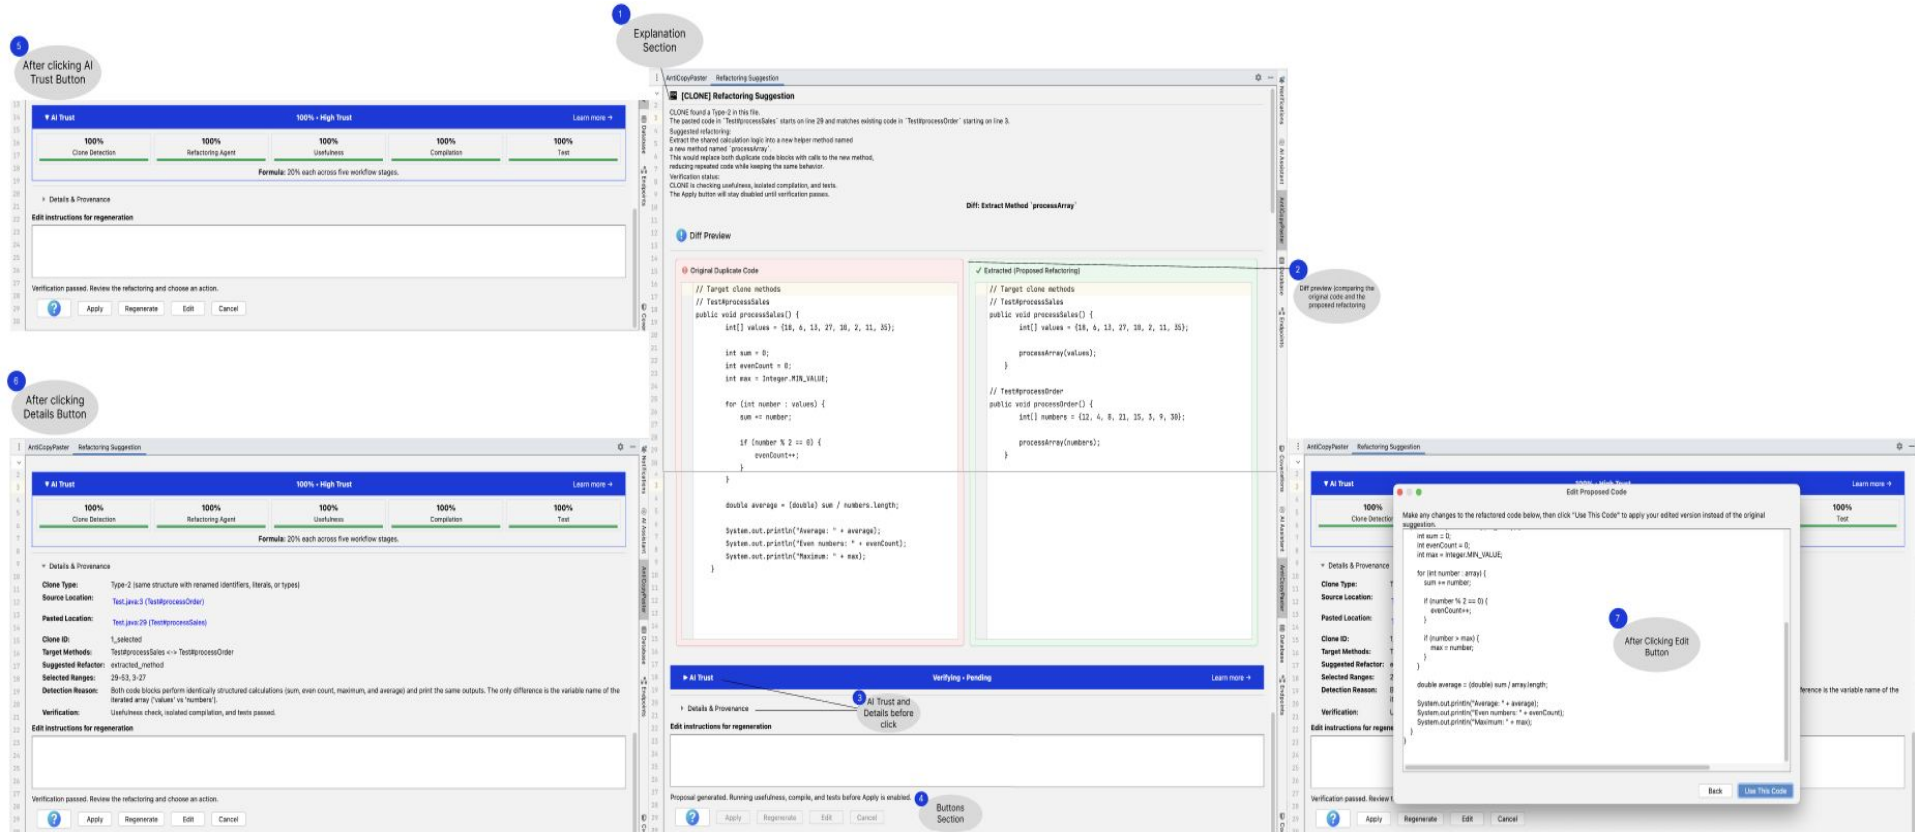

Content

We added more content and detail on all sections

Images

We added images of all sections individually, and also made one of the whole UI Panel.

Next Steps

Testers

Gather all the information we got from the users that tested the panel to add it to the research paper

Overleaf

Finish up the research paper

Website and Files

Keep updating and uploading everything.
